The counter protest

Hello everyone, my name is Person and I am not afraid. This Saturday I will be organizing the peaceful counter protest against the terrorists occupying our city center. Terrorism is defined as; "the unlawful use of violence and intimidation, especially against civilians, in the pursuit of political aims". People are afraid, our downtown workers are afraid to go to work, the police is afraid to act, the city has denied me an official protest permit citing covid concerns. I am not afraid.

The Protest:

The protest itself will take place on Saturday February the 5th from the hours of 12:00-19:00. I have reached out to the shepard's of good hope and the terry fox foundation in hopes that they will set up donation booths nearby. The itinerary for this event is quite simple, at noon we gather at city hall, the mayor has chosen not to take action in this matter, so we must voice our concerns with that. From 2 pm we will begin our approach on parliament, up elgin avoiding the convoy as much as possible. WE DO NOT WANT VIOLENCE, we don't need to stoop to their level, we march together. If they get in our way we stop. If they will not let us approach parliament we will go around them. Once we arrive at parliament we will continue the protest until 7pm.

What you need:

-YOU NEED A MASK, I understand there are people who have medical exemptions to not wear a mask, I am sorry, we don't need you. Stay home, stay safe.
